

**Inquiry regarding NIT of Unipole, Hording,  
Electronic Display Board & directional Board on Rent**

S. No	Inquiry	Clarifications
1	Minimum reserved price for unipole & LED is Rs.1000/- per sq ft per year which is too high. As per your last tender offer it should be less than Rs.200/- per sq ft per year. as we have to pay Nigam & other taxes as applicable separately.	No Change in relevant clause of RFP.
2	Construction period for installation of Unipole & LED should be 120- 150 days.	For Unipole and LED Display Board Installation Period shall be considered as <b>90 days</b> .
3	Tender period of 5 years for Unipole & LED is very less it should be 10 years. so that the investment cost can be recovered.	No Change in relevant clause of RFP.
4	Increment of 20% every year on rates is too high.	No Change in relevant clause of RFP.
5	What about any existing structure of any agency in the tenderd location	RDA will provide you clear site for Installation.
6	Please provide Map with the location marked for Unipole, LED & Hoardings	Location Map may be collected from RDA Office along with the Tender form. Scanned copy of the same is also available at RDA's Website i;e <a href="http://www.rdaraipur.com">www.rdaraipur.com</a>
